The discovery made by the majority of your complaint or criticis in regard it as altogether proper and commendable.

dministration, bringing to bear the power and governed by the wise ulmonitious contained in the resolution.

istify the interference of the Federal Government in the manner and at the crisis.

ment in the manner and at the crisis.

And, first. The crisis.—A State election, involving State issues of no ordinary magnitude, was pending. The Administration party (or paties) was divided on these State issues and their peculiar views of the slavery question, Judge Branson gave his adherence to that "section" of the party with whose principle, State and national, he comerled, in a decorous letter, which was published. The Administration seized the occasion, on the eve of the election, to remove him on the alleged ground above stated.

Second. The manner.—The interference was immediately against an "honest, capable, faith."

in mediately against an "honest, capable, fathing for the transfer for formers the precous rights of all sections of the transfer for the tran

Cass and Butler, by their appointment to some common fellowship, either by forming movel of the highest offices. And Judge Bronson's tests of fitness for onice, or by in liseretion in successor was taken from the party who had the advancement of sectional interests, to exo-coalescel with and were controlled by the Van cise his legitimate power, for harmony, by re-Buren power-who himself opposed the Erie hoving such office eanal enlargement, 'a measure of State policy merely, and who, white occupying a high office und rth. Federal Government, in conjunction Mr. WOODSON—Propositions and Grievances—A bill to change the eastern limits of the
city of Louisville: passed.

Same from same—A bill to prevent the destruction of fish in Pond Creek: passed.

Frankfort, Feb. 23, 1853.

T. Collman, as a candidate for the office of Jailer of co-aperating as a State, in the mode enterprise of creating a colossal monument in memory of Franklin county, at the ensuing August ory of her most illustrious son.

New York on the 25th, but brings no news of much importance. The English and French preparations for war are going on with vigor, and upon a large scale; the reply of Russia to the English and French ultimatum had not been the English and French ultimatum had not been on which the appropriation is suspended, are received. Breadstuff's were slightly declining. Democratic conspiracy had been discovered at timed and cautions that the sum thus donated Madrid; Gen. Coucha hal been denounced as a by the State cannot be inisdirected or unisapprebel, and arrested, but afterwards escaped to France. In China the insurgents had burned for the completion of the monument is cona large portion of Sl. ghai, and had captured choled, and at least \$10,000 expended in its

PROSPECTS OF THE NEBRASKA BILL.-A private letter from Washington, and from a source like ly to be well informed, says: "The bill was passed the Senate by a very large majority, every in Whig and Democrat from the slave holding States, wich the exception of Gen. Houston; voting for it. The majority in the House will not be so large, but from the best information I can get, it will pass that body by from fifteen to twenty majority."

The Blakeber's Corean ro-right.—The voting for it. The unijority in the House will

Blakely Family give a concert to night at the Odd Fellows' Hall instead of last night. Having sung four nights to crow-led houses at Danville, they were prevailed upon to remain for the fifth, and that is the reason they were not here last night, according to a lvertis most. To night we hope to see them have as large an audience is it data they are prepared, not only to sane as the hall can hold. We have heard nearly all thon and approve any reasonable appropriation the companies now traveling, and we give the which may be demanded by public laith, I the companies now traveling, and we give the Blakeley's the preference by all olds. In richness, variety, and sweetness of their music-inness, variety, and sweetness of their music—in-strumental as well as vocal—they have never propriations as may be prompted and same been surpassed in our hearing.

Is The eard of Mr. A. J. Bulkeley, Tunist, from Louisville, will be found in another col-

The Clay Monument.

REMARKS OF Mr. E. S. Firen, of Fleming, on the bill appropriating \$10,000 to aid in the creetion of the National Clay Monument, delivered in the House of Representatives, February 23d, 1554.

Mr. Sp. AKIR: It is with feelings of great selfdistrust that I venere to say anything in be-Extra copies of the Datly Commonwealth, I all of the appropriation now under consideraput up in single wrappers, can be had at this tion-especially aft r the very elaborate and el office, at the rate of \$2 per hundred. Members of the Legislacure wishing to get papers, will from able and distinguished gentlemen apan please leave their orders on the day before the saue of the number of the paper they wish.

this floor. It is not my perpose, however, to pronounce any formal eulogy upon the character or career of Mr. Clay: for while I regar this The Diorst Ready.—Both volumes of Mouroe & Harden's Digest are now ready, and can be obtained at this other, at \$12 per set of two volumes. not to raise him to linger awhile at the sep atchee of the so pe of isidual, rather than to con template bun in the lesia, wandour of his char The Kentucky State Colonization Society acter and achievements—to direct attention, for will send emigrants from Kentucky by way of a moment, from his acknowledged genits to his

Under such eirennestane s, Mr. Speaker, I can o Rev. A. M. Coway, Frankfort, Ky.

Papers printed in the State please give seve action of this House in regard to the pending appropriation as reported from the Senate, e mos beli we that the first Legislature assen bled since his death, will hesitate to avail itself I. We are authorized to announce Richard of the opportunity now presented to the State, of co-operating as a State, in the noble enter-

The bill upon your table, sir, provides for the News From Ecrope.—The Europa arrived at any money in the treasury, not otherwise apa large portion of St. 2nat, and had captured closed, and it least \$11,000 expended in its Seinsing, a town situated eighty miles from Pekin. The death of the Emperor of Japan, and the seizure of New Caledonia by the French, is confirmed.

The construction of St. 2nat, and had captured closed, and it least \$11,000 expended in its circled, and it least \$11,000 expended in its circled. Nor even then, sir, unless the treasurer of the as ociation shall have first given bond, with approved security, for the faithful application of the amount to the purpose indicated. This granted at least \$11,000 expended in its circled, and it least \$11,000 expended in its circled, and its c ever to the hill now presented for our concurrence, it is take found in the fact that the sun designa ed is *lar too small* to give any adequate expression of the public sentiment of the State, n regard to the pu die services of that distin-uished patrio, whom it has been her deligh o cherish and honor for more than half a centu v. For myself, I would have been prepared to

an inclined to the opinion, sir, that as the representatives of the people, we are apt to under-rate their liberality in such matters, and of ten pursue a parsimonious policy which is far from being in harmony with their wishes.—While it is doubtless true that they would open the state of the pursue of the pu the exigencies of the government, and for the support and encouragement of our public charitioned by high considerations of State gratitude and of State pride. When, I would ask, sir, have Maj. Berre, as at first stated, who received severe injuries by the recent steamboat explosion at St. Louis. hills, and easing its pall-like shadows over the silent tenantry of the tomb; and tell me if the people of Kentucky have ever denounced their representatives for thus signalizing the final resting place of her heroic dead? Have they ever complained that the bones of her gallan

battle of New Orleans, and always his intimate their have never seen, and perchange may never friend. Under Mr. Polk's administration he see that beautiful pyramid—enriched as it is, was consult to Liverpool. was consul to Liverpool.

Figure AT PADUCAIL—On Wednesday evening, Feb. 22, the earriage shop of Mossrs. Reeves & which secured its erection. And thus it will be A Bamogr Across the Onio.—The Covington lase, to contemplate its colossal proportions, and to peruse the chiseled record of that pure and upright patriotism in honor of which it has Journal, of the 25th Feb., has the following:

In reply to inquiries, we may state that the project of constructing a suspension bridge over the Ohio, at this point, is in the hands of energ tie gentlemen who are perfecting the profilminary arrangements with all the dispatch the nature and importance of the work admits of. It is probable something definite will be presented to the public in the course of a month.

Anyiversary Onytion.—This address was delivered last Wednesday evening to a large and hyperical last Wednesday evening to a large and emotion of that hitle boy, and tell in ewhy it is enough to inconting and perfecting the noble work.—

mure ascendancy of his genius, rises and takes his rank; and where the hamblest and the poore t Mr. Editor—Sir: Will you give this notice may justly include the proud consolation that in your paper a few times for the benefit of your of he possess virtue and talents there is no numerous hemp growing readers:

| Office beyond the reach of his honorable ambiguity. numerous hemp growing readers:

I will give you a Premium of a Silver Cup, worth \$10, for the best written article on the Culture and preparation of Hemp for Water-rotting, to be delivered to me by the first of March

Eut, sir, the moral influence of such a national preparation. ext.

Also, a Silver Pitcher, worth \$15, for the best will not be restricted to our own times, or confined

right (this subject mostly as a policieal consensite). However, we show from the very sets of the source and is now perhabitive beauting manument—strond as visit be given by the terror of the policy of the source and is now perhabitive beauting manument—strond as visit be given by the policy of the source and the property of the source and the property of the prop

Mr. Speaker, if ill fated Greece is willing to expend for treasure in honoring the name of Cay, and if South Absolea can generously memory, surely we need not distrust the State pride and liberality of his own belove land despite the structure of her political organization, and with uplifted hands, to stay the voted Kentucky—the State of his early adoption—the theatre of his earliest trials and triumphs—the nurse of his genius—his paidical Alma Mater, to which he ever claus with nuswerving fid dity and with the wikles producty.

which necessarily enter more or less into the arganization of every such body—the introducof kindness, of brotherhood, of affectionate sympathy, as well as of sachess, and without distinction of party, each seemed enudous of strewing the brightest garlands upon the departed pairiot's grave. This was indeed gratifying to the political friends of the sainted deal, for it was nothing less than the self-in nolation of a way a just and gargage acknowledgement on the self-in nolation of a way a just and gargage acknowledgement on the was a just and generous acknowledgment on the patriot to save a distracted country from civil compart of his political opponents, that although notion. From the passage of the Compromisthey had differed from him as a partison they measures of 1850 it was evident to all that death were nevertheless prompt and proud to hour had selected his shining mark and that Mr. C ay him as a patriot, and to attest the general because the most shortly die. His glorious mission upon reavenent by mitgling their tears with ours earth was nobly consummated, and the pale

reavement by mitgling their tears with ours over the tomb of the great pacificator. So let it be again.

This appropriation is intended only to embody the sense of the house, as then expressed, in a more substantial and coduring form, and ought not to awaken any political aspirity of feeling whatever. If what was then so eloquently sail of Mr. Clay by the opposing parity be true, then indeed does he deserve this tribute at their hands. But, sir, this day itselesacrel to the memory of Washing on—forbids the exercise of a party spirit. A lively spirit of use timed fruternity, as well as of national glory, pervades our native land to day, and athousin leptriotic associations and glorious memories.

But the pale messenger was despatched to occken him awy to an important hearte beyond the skies. When this messenger came, it found him, not in the retrement of Ashland and in the bosom of his fundly, but at the post of duty, which a grateful country had assigned him. But sir, the characteristic was prepared to receive this dread messenger as a well came guest. The great Union hattle had been fought and victory won, and sustained by that hope which hangs the promise of innountality on the tomb, the great and good man calmy dies.

The drapery of his characteristic control of the pale in the pale messenger was despatched to occken him awy to an immercial theatre beyond the skies. When this increased expressed, an immercial theatre beyond the skies. When this increased expressed, an immercial theatre beyond the skies. When this increased expressed, an immercial theatre beyond the skies. When this increased expressed, an immercial theatre beyond the skies. When this increased expressed, and increased expressed in minimization of his increased expressed in the same increased to the post of duty, which a grateful country had assigned him. But sir, the characteristic had been fought and victory won, and sustained by that hope which hangs the promise of innountality on the tomb, the pale in the pale in the pale in the pale in t parriotic associations and glorinos memories throng and flirill the patriot's heart to the exclusion of all partisan selfishness. "Tis our nature" "That glorious orb, which for so many elusion of all partisan selfishness. Tis our national sabbath—a day when the temple of Liberty is opened wide and religion and patriotism repair, hand in hand, to immister at her sacred altar; and surely there is none in this assembly who will be found, on such a day, bearing the flaming torch of political discord in his hand. This an occasion, sir, when party spirit she adding to a day, and all its discordant voices blushed into one harmonia is anthem of gratrude and praiss; and tis meet, Mr. Speaker, that a portion of the day thus consecrated to him who was "first in war, first in peace, and first in the sadness, which is still silently settling with its was "first in war, first in peace, and first in the sadness, which is still silently settling with its hearts of his countrymen," should be devoted to leaden weight upon the great popular heart of the hearts of his countrymen," should be devoted to the memory of another patriot who, with all the honors and emoluments of the Republic before him, "would rather be right than be President." But there is another consideration, which renders it peculiarly appropriate that this tribute should be paid to the memory of Mr. Clay ou this auspicious and ever memorable day. It was on this day, sir, that his own devoted son fell beneath the forman's stroke on the sanguinary field of Riena Vista—a marker and overpowering elogogenee from her 100se. or own hemisphere. Looking down the sold to me for the Navy, of the growth of 1851.

Also, a Silver Pitcher, worth \$20, for the largest to the oppressed of every stand and defense to the oppressed of every law, of the growth of 1854.

The Judges will be appointed by the President and Directors of the Kentucky Agricultural and Mechanical Association, and to be decided in the course of the coming season.

C.J. SANDERS,

U. S. Hemp Agent, Lexington, Ky. February 18, 1864.

BUFFMO, Feb. 24.—This afternoon, while workmen were stringing the cables for the new suspension bridge at Nagara Falls, a scatifolding the workmen were stringing the cables for the new suspension bridge at Nagara Falls, a scatifolding with lour men an it gave way and two men fell into the river, a distance of 230 feet, and were were disposed to consider the tower.

And, Mr. Speaker, were we disposed to constant the field in the new of young the found to the memory of many than to work and ever men rable to the ententry of the suspensions and ever membrable to the oppressed of every day. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sorn day. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sown deady. It was on this day, sir, that his sounders the financial day. It was on this day, sir, that his so we had a subjection and ever neme had any the tending that the chalches skirl, his his day of the senant stroke on fell beneath the financial of the meanist stroke on fell beneath the financial of the meanist stroke on fell beneath the financial of the meanist stroke on fell beneat

never knew what it was to love in a illustrate companionship with him of the base of his monument in that land of strangers."

The all also the strangers in the sign of the base of his monument in that land of strangers."

The all also the love in a country dreams of prospective triumph. An all absorbing question of domestic poticy has been pressing forward for years, to a solemn decision in the sign of strangers. reeling fabric until the storm and convilsion are overpast. It is true, her council chamber is filled with able and enument politicians; butthe erisis calls for more than tire joid reacis—it demands pure and cull cheered, bold and con throughout all the changing fortunes of his eventual life, and in whose maternal bosom it for such an one to stay and direct the healy carwas his desire and hope that hoshowid find at leader throughout these troobles times. She was his desire and hope that hoshould find at Last the urn of his sieeping dust!

Thus identified with him in political fame and fortune, from the connuencement even to the close of his public career, as I now the lonored depositary of his moral remains, Kentucky, far more than Greece or South America, or any of her sisters takes, is peculiarly interested in perpetuating to the latest generation the memory of her patriot chief!

And, Mr. Speaker, while I entertain no apprehensions as to the fate of the pending measure of deep and general regret to the firm distant and and from his plough, to rescue the lieuwible from impending diagor—to control the will phrenzy of tabatacism, on the one hand, and to refuse the fire espirit of misrule on the other. Occupying this featfully responsible and delicate to it deep and general regret to the firm distant to the face of the pending measure and general regret to the firm distant to refuse the firm standing irin and seif-pointed by a mere array rote in a Kentucky Late lature. Such a result would be especially humiliating to the immediate funily of the decased, who have the holiest claims upon us to be saved and sheltered from such sorrow. But I will not anticipate such a result. I have not forgotten the manimity which prevailed in his assembly, a few days since, when resolutions respecting his memory were under consideration. Notwithstanding the conflicting elements which necessarily enter no re or less into the

CIRCULAR

To the County Courts of Kentucky.

Executive Office, Frankfort, Ky., January 31, 1551 As required by law, I have caused duplicates of the standard of weights and measures of this State to be made for such counties as have not heretofore been furnished with them. They are new ready for delivery, and upon payment of the cost of them by the County Court into the State Treasury, will be delivered at Frankfort, to any person whom the court may designate to receive them. Said auplicates and their cost are as follows:

A complete set of weights, from a half pound weight to fifty pounds, with box containing A brass balf-bushel measure, in box, 42 00

### THE CANADIAN CHIEFTAIN, SNOW-STORM.

THIS heautiful Stathon will stand the present season, a which will expire on the full of July, at my form, a mires from Fr inklort and 3 miles from the Fyrks of Elkhorn, on the Frankfort and Georgetown turnpuke road, at 516 to mission a control to be paid when the fact is ascertained, or if the more is disposed of letone, the briefly assume a control to be paid when the fact is ascertained, or if the more is disposed of letone, the brich pasture of the more is disposed of letone, the brich pasture at the more is disposed of letone, the brich pasture of the more field that is accretioned, and are somable rate, without becoming find leton accretions or escapes, 105.8CRIPTION.

Snow-storm is mow, if enguine years offle, a light dapping 10 y, with hom flowing white in me and tail, is full braineds finch combining in an eminem decree symmetry amilpower with speedy and easy paces. I consider help unsurpassed as a ciddle horse, going all the gaits and carrying the rider at any with prinarkable cise and speed. He is a so a very superior harness hoise, and goes at the rate of a mile in 3 minutes, fronting, and but little shower pacing. A cross of such a horse upon the fine large blood mares of the county cannot lay to produce the perfection of the suddle and harne is hisse, and with line going pony mares, the best and most useful hackneys.

THOS, STEELE.

high standing, near Nashville, to whom I wrote for information concerning him:

THE BRITISH QUARTERLIES

# BLACKWOOD'S MAGAZINE.

LEONARD SCOTT & CO, Continue to Re publish the following British Periodicals, &c.

The Loudon Quarterly Review, Conservative.

The Edinburgh Review, Whig. The North British Review, Free Church. The Westminster Review, Liberal.

Hlackwood's Edinburgh Magazine, Tory. THE present critical state of European affairs swill THE present critical state of European affairs twill render these poblications unusually interesting during the year cost. They will occupy a middle ground between the hearify written news items, crude speculations, and the flying runners of the ideality boursals and the pointerous frome of the future lastonian, written after the living interest and excurement of the great political events of the times but though possestiaway. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current exents, and as such, in addition to their well-established literacy, scientific, and theological character, we urge them upon the consideration of the earlier public.

Arrangements are to progress for the receipt of early sheets from the British publishers, by which we shall be able to place all our Reprints in the homes of subscribers about as soon as they can be fainshed with the loreign copies. Although this will tovolve a very large outlay on our part, we shall continue to formshi the Periodicals at the same low rates as heretofore, viz:

For any one of the four Reviews, \$3.00 per ann.

For any one of the four Reviews, \$3.00 per ann. For any three do. 5 Ub per "
For any three do. 5 Ub per "
For any three do. 7 Uu per "
For alk four of the Reviews, 8 Ub per "
For Blackwood's Magazine, 3 Ub per "
For Blackwood and thee Reviews, 9 Ub per "
Fur Blackwood and the4 Reviews, 10 Ub per "

Payments to be made in all cases in advance. Money current in the State where issued will be received at par. ELEBBING.

CLUBBING.

A discount of Iwenty hie per cent, from the above prices will be allowed to Clubs ordering four or more copies of any one or more of the above works. Thus, Four copies of Blackwood or of one Review will be sent to one address for \$9, four copies of the four Reviews and Blackwood for \$300; and so on.

PONTAGE

In the principal cities and towns, these works will be delivered, through Agents, Fark of Postage. When sent by mail, the postageto any part of the United States will be but twenty four cents a year for the "Blackwood," and but twelve cents a year for each of the Reviews.

wood," and but TWEEVE CENTS ()
Reviews.

If P Remittances and communications should be all ways addressed, post paid to the publishers.
